

COMMENTS

The present amendment presents amendments to Claims 1, 2, 8, 9, 15 and 16. Upon entry of the presented claims, Claims 1-20 will be pending.

No new matter is added by the present amendment.

With regards to exemplary Claim 1, the features of "selecting a file display for a single file on a graphical user interface (GUI) after engaging a first input and a second input from the plurality of inputs, wherein a first operation is associated with the first input and a second operation is associated with the second input, and wherein a first portion of the file display of the single file presents a first distinct visual feature associated with the first operation, and wherein a second portion of the file display of the single file presents a second distinct visual feature associated with the second operation" are supported, *inter alia*, at paragraph [0025] of the present specification.

With regards to exemplary Claim 2, the feature of "executing the first and second operations on the single file according to a pre-determined execution order for the first and second operations" is also supported, *inter alia*, at paragraph [0025] of the present specification.

CONCLUSION
